SCHOOL BOARD POLICY

The Board of Education will, as far as possible, conduct its business in regular open sessions. Periodically, it may be necessary to call special meetings to consider matters of a pressing nature, and the procedure for and conduct of these special meetings will be as specified in Procedural Regulations.

Matters relating to personnel, real property, individual students, parents and/or guardians, legal opinions respecting the liability or interest of the Board, accident claims and other matters of Board liability will generally be dealt with in an in camera meeting of the Board, from which persons other than trustees and officers of the Board, and individuals specifically designated by the Board, are excluded. However, a general statement of the matters discussed and decisions reached shall be reported and recorded at the next regular open session of the Board.

The procedures for conducting the meetings of the Board will be governed by Roberts Rules of Order.
